Anders Mogensen - drums

**The fourth studio album from the internationally acclaimed popular Danish piano trio 'Søren Bebe Trio' features a collaboration and guest appearance with the great American bass player Marc Johnson. Recorded in New York at Sear Sound Studios by master technician James Farber, the sound is simply as good as it gets. The band have recently seen an ever expanding international fan base and have begun to build a musical following and reputation, playing in Brazil, USA, Morocco, Poland and also South Korea and Hong Kong in 2013.**
